World Day for Grandparents and the Elderly

The CCCB Standing Committee for Family and Life has produced a short video message for the First World Day for Grandparents and the Elderly, which will take place on Sunday, July 25, 2021. The video message brings to life the theme chosen for this day, "I am with you always" (cf. Mt 28:20). It seeks to encourage young people, families, and communities to draw near and to spend time with grandparents and the elderly, cherishing their essential role for the Church and society. The video message can be found here: [English Video Message](#)

Spouses Corner

Communication: the key is to make it an on-going part of your relationship. Sharing news, complimenting each other and discussing issues as they arise keeps us connected and prevents difficulties from piling up and becoming more difficult to resolve. Regular communication is a great maintenance plan for your marriage!

Can you help?
